

Dromoland Castle Wine List

*The Taste of a good
wine is remembered long
after the price is
forgotten*

+

The project of extending & developing this Wine List is seriously exciting for the wine team and is designed to suit any wine enjoyer, from somebody looking for a well priced pleasurable indulgence, to one who wants to have a whole new experience with these wonderful nectars. And we are proud to say that some of the nectars are only available from Dromoland Castle.

So we should leave the wine do the talking and we should merely try to translate. We'll leave the rest to your hedonistic judgement. So don't shy away from asking recommendation or any queries.

Old Vintage Cellar

The following selection is just a shorter version of some of the old vintages that we are proud of stocking. The selection is running from 1929 to the 1990. Of course you can also find some of the more recent vintages, which are available and are drinking beautifully now (1997, 1998) some of them are just not ready to drink (1995, 1996) It is a real pleasure to source those kinds of bottles and even more to be able to drink it
