Singletons don't have to stay home alone now lockdown is over for most of us.

Friendship Travel is offering a short break in the north with a night at the Premier Inn in Belfast followed by

two at the Marine hotel in Ballycastle. The tour includes a full day of discovering the coast, from Giant's Causeway, above, to Bushmills distillery. The groups are small and most

holidaymakers are over 40. There is a host to ease the flow of conversation. The next break is on October 3 and costs €575. There is no single supplement. friendshiptravel.com
