

A specially curated Menu where serenity, history and luxury combine for a memorable Spa experience.

Midweek Reset

60 minutes | Monday to Thursday €165

Restore radiance and release tension with this indulgent 60-minute seasonal ritual. Begin with a deeply relaxing 30-minute back, neck, and shoulder massage designed to ease tight muscles, and improve circulation. The experience continues with a rejuvenating 30-minute facial tailored to revive dull, dehydrated winter skin.

Spring Wellness Ritual

75 minutes | Weekday €190 | Weekend €225

A fully bespoke experience to restore balance and radiance. Begin with a calming aromatic compress ritual before your therapist crafts a personalised treatment based on your needs – whether you desire deeper focus on muscle relief through a back, neck & shoulder massage or wish to extend the nourishing benefits of the Oskia Radiant Renewal Facial.

Lift & Illuminate Experience

105 minutes | Weekday €200 | Weekend €240

A transformative journey to visibly sculpt and renew. Begin with a deeply relaxing full body massage, followed by a cutting edge facial that blends expert massage techniques with the PureLift device – an advanced, non invasive technology delivering patented electrical impulses for facial toning and contouring. Enjoy a firmer, lifted look in just one session.
